Ottawa

Your Home Away From Home

Voted by students the number-one city to study in the world*, Ottawa is vibrant, metropolitan and multicultural. A high standard of living along with a high level of entrepreneurship, innovation and economic stability make Ottawa a great place to call home.

With so much to do, see and eat in Ottawa, here's our top 10:

10. Yoga on Parliament Hill: Lululemon host a free Yoga class Wednesday mornings during the summer
9. Haunted Walk of Ottawa: Take an evening tour of Ottawa's downtown core and hear ghost stories about Ottawa
8. Museums: Ottawa has 6 national museums and even more local museums
7. Rideau Canal: World's largest ice skating rink at 7.8 kilometers (4.8 miles) long. Enjoy paddle boating, canoeing or kayaking in the summer
6. Byward Market: Enjoy the nightlife with the city's best pubs, restaurants, and live music
5. Festivals: Many types of festivals to choose from including festivals celebrating all the various cultures in Canada
4. Outdoor Adventure: With 4 great seasons, Ottawa is great for outdoor enthusiasts. Try skiing/snowboarding, white-water rafting, hiking and much more
3. Beavertails: This yummy delight is authentically Canadian and unique to Ottawa
2. Poutine: Fries, cheese and gravy, deliciously Canadian
1. Parliament Hill: Home of Canada's national government known for its beautiful architecture. Take a tour, watch the daily Changing of the Guards and evening Sound and Light show

The Algonquin Advantage

As one of Canada's largest colleges, with more than 22,000 full time students and over 175 programs, Algonquin College offers you an experience like no other. Personalized learning, industry-ready skills through fieldwork, work-placements and co-op with dedicated support and resources to you, from application to graduation.

Algonquin College is recognized internationally for its modern facilities, use of green technologies and the academic achievements of its students. As one of the top research colleges in Canada, our Applied Research and Innovation Centres work with various business leaders on research projects that provide solutions to industry and community partners.

JUST SOME OF THE BENEFITS OF CHOOSING ALGONQUIN COLLEGE

- 84% graduate employment rate*
- e-Textbooks allow you to have your books on your digital devices with lifetime access
- 90% of programs now mobile (using a device such as laptop, tablet etc.)
- Career oriented programs and industry-based curriculum
- Entrepreneurship centre (Ignite AC) guides students who would like to start their own business
- Applied Research and Innovation gives you the opportunity to work with real clients on industry developments in your field

8.

International Education Centre (IEC)

We are here
for you

The IEC is your support team. We help you adapt to your studies and life in Canada, as well as connect you with the college community and other students.

IEC SERVICES INCLUDES:

- Free arrival services (airport pickup, temporary housing, getting groceries and more)
- Accommodation assistance (homestay and on-campus residence)
- Academic coaching
- Academic workshops and peer tutoring
- English-language support
- Health insurance
- Banking assistance
- International student orientation
- Social and cultural activities (special events)
- Visa and permit guidance

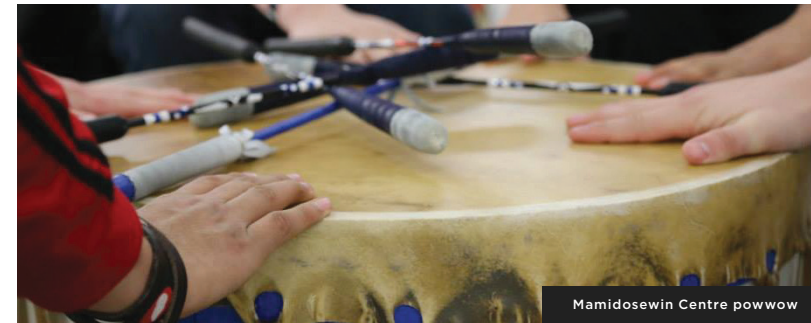

INTERNATIONAL STUDENT AWARD

The Algonquin International Award is open to international students who have been accepted to an academic program and are presented to students with the highest academic performance and/or English proficiency.

DEGREES, DIPLOMAS, CERTIFICATES

12.

Degrees, diplomas, graduate certificates It's your choice

Make the perfect choice for your lifestyle and education needs. We will help get you to the right path.

DEGREES

4 Years — Employers value the combination of theory and practical hands-on experience. Co-op terms. Outstanding professors. Applied research. Joint programs with Canadian universities. You get the best of both worlds.

algonquincollege.com/degrees

DIPLOMAS

2 Years — Diploma programs help prepare you for a specific field of work and include a broad base of study, which enables graduates to pursue various career specialties.

algonquincollege.com/programs

ADVANCED DIPLOMAS

3 Years — These programs help develop the knowledge, skills, and attitudes to enable graduates to work within a broad range of technical and/or management functions across many occupational disciplines.

algonquincollege.com/programs

CERTIFICATES

1 Year — These programs develop the level of skills and knowledge to help graduates perform a defined range of activities. Programs also engage students in some learning in disciplines outside their main field of study.

algonquincollege.com/programs

GRADUATE CERTIFICATES

1 Year — Take it up a level. Get on the fast track. Did you just graduate? Want to specialize? Get a career advantage with a high-demand specialization.

English for Academic Purposes (EAP)

Enhance your language learning experience.

With over 40 years of experience, the Algonquin College Language Institute offers English for Academic Purposes (EAP) throughout the year. Our professors offer customized instruction in reading, writing, grammar, comprehension, and conversation.

These skills are further enhanced with general education credits delivered at the higher levels, which can be transferred into academic studies at the college.

DIRECT QUESTIONS AT
algonquincollege.com/questions

MAKE SURE YOUR
PROGRAM IS
STILL OPEN

Step 1: Prepare & Apply

REVIEW PROGRAM ADMISSION REQUIREMENTS

Ensure that you've included all of the necessary admission documents required for your application. Details can be found on the International Future Students page on our website.

PREPARE YOUR DOCUMENTS

Prepare certified copies of your original supporting documents (transcripts, diplomas, etc.) and certified translations (if necessary) in a digital format, so you can upload them in the application portal.

APPLY ONLINE

Register to our Application Portal: algonquincollege.force.com/myacint

Pay the non-refundable fee of \$95 CAD

Upload your application documents online

Step 2: Accept & Finance

YOU'VE BEEN ACCEPTED!

If admitted, a letter of acceptance will be uploaded to the Application Portal within approximately 2 weeks.

PAY YOUR FEES ON TIME TO ENSURE YOU DON'T LOSE YOUR SPOT!

The deadline will be on your letter of acceptance. If your payment will be delayed, contact the admissions officer on your letter, and let them know!

Step 3: Prep for Travel

BEGIN YOUR STUDY PERMIT APPLICATION AS SOON AS POSSIBLE.

Allow 1-3 months for processing (see processing times for your country)

PREPARE FOR YOUR TRIP — ARRANGE ACCOMMODATIONS, BOOK TICKETS, ETC.

Plan to arrive on campus approximately one week prior to the start of classes in order to attend the orientation sessions and allow time to get to know your new environment.

If you require airport service, please contact us with your travel itinerary two weeks before your planned arrival date.

**Welcome to
Algonquin College!**
