WELCOME TO HANSA LANGUAGE CENTRE

Hansa Language Centre has been teaching languages to adult students from around the globe since 1969. We are one of Canada's largest and most respected language schools. We have two campuses located just steps from the Eglinton Subway Station in the heart of Toronto. Our friendly staff will be happy to welcome you to one of the safest and most multicultural cities in the world.

Hansa's Customized Learning System

Whether you need private instruction or prefer learning in a small group setting, Hansa Language Centre creates the ideal environment for language studies. Our English programs are based on the principle that students learn best in a language program that can be customized to their unique linguistic needs and goals.

Hansa uses a “Flexible Learning System” and offers over 300 classes daily. Students have the freedom to choose the classes they want and the time they want to take them. Hansa students benefit from the advice of experienced counselors, the instruction of accredited teachers, and the choice of a variety of subjects.

Upon arrival at Hansa Language Centre, every student takes a placement test and undergoes an interview with one of our student counselors. The placement test evaluates grammar, vocabulary, and reading comprehension skills. The interview assesses the student’s speaking and listening abilities and helps us design the best study program for their needs. Students meet regularly with counselors to discuss their study program and progress. Follow-up tests and interviews are scheduled to monitor progress and determine when class changes are needed.

After successfully completing an English program at Hansa, many students go on to take Hansa’s programs for Academic Preparation, Exam Preparation (TOEFL®, IELTS or CELPIP), or Teacher Training. Many also choose to further their studies at one of Hansa’s partner language schools, high schools, colleges, or universities. By using Hansa’s “Flexible Learning System” and following the “English Only” policy, it’s common for students to achieve a university-level English proficiency within months.

HANSA PROGRAMS

Intensive English Program

In this program, students can choose from a variety of challenging classes. Having an average of nine students, classes include Reading, Writing, Speaking, Listening, Grammar, Vocabulary, Pronunciation, Idioms, and Phrasal Verbs. With guidance from our counselors, students have the freedom to choose the subjects, class times, and teachers best suited to their needs and learning style.

Exam Preparation Program

Hansa Language Centre offers preparatory courses for many different English proficiency tests. The most common exams that our students need to prepare for are TOEFL, IELTS, and CELPIP. Group classes are offered for these exams throughout the year. Our fifteen or thirty hour per week Exam Preparation Program prepares students in the four skills (reading, writing, speaking, and listening) that are evaluated on these exams. To enter this program, students must achieve 70% or higher on Hansa's Level 7 Test. Regular practice tests and our language-learning lab are available to help students monitor their progress and readiness for the official exams. When students are ready, our counselors will assist them in selecting and booking the official test. Hansa can also help students prepare for other English language exams such as Cambridge First (FCE), Advanced (CAE), Proficiency (CPE), TOEIC, CAEL, GMAT, or Michigan.

IELTS

The International English Language Testing System is a test accepted as proof of English proficiency by many universities, colleges, businesses, and governments. For education, work or immigration, many students benefit from Hansa's preparation classes for both formats of IELTS exams: Academic and General Training.

“My wonderful life in Toronto started at Hansa. During the last year, Hansa was not just my school, it was my home where I made friends and felt part of a big family. Thanks to Hansa’s flexible study system, I was able to choose the best classes for me and improve my English. After taking Business English classes where I learned how to write a professional resume and important interview strategies, I was able to get a dream job in Toronto. Overall it was an amazing experience and I will never forget these precious memories. Thank you so much Hansa!

Academic Pathways

Hansa is the first step in your Canadian education. Our Academic Pathways department connects students with some of Canada's best universities, colleges, and high schools. Hansa's programs give students the academic and language skills needed to move on to a higher level of education. Counselors help students in choosing the best school and program, and assist them through the application process from start to finish. Hansa students can even gain conditional admission to our partner institutions prior to arriving in Canada.

Our participating academic partner institutions accept Hansa's Test of English Proficiency (TEP) and offer our students admission to most of their programs without further language examinations.

To fulfill the requirements of Hansa's Academic Pathways, students must complete a minimum of 240 hours in the Academic Preparation Program, score 80% or more on Hansa's TEP, and meet the entrance requirements of the partner institution.

SERVICES

Homestay

Where you live during your stay in Toronto is an important decision. Hansa has full-time staff dedicated to assisting its students in finding appropriate lodging with Canadian families. Hansa's Homestay Program offers students a private room in a family home with daily breakfast and dinner. All families have been carefully selected and are visited regularly to ensure quality service. Students are free to change their accommodation after the first four weeks.

Residence

Residences are an excellent housing alternative for students who are not interested in living with a family. A list of recommended residences in Toronto can be found on our website. Students should contact the residence, youth hostel, or hotel directly for information or bookings. Please remember that residences operate independently of Hansa Language Centre.

Shared Accommodation

Many students choose to share an apartment with friends or classmates. A bulletin board with a list of available rooms for rent can be found on the second floor of Hansa's Yonge Street Campus. Students should use caution when entering into a rental agreement. Hansa is not responsible for any rental agreements made between students and landlords.

Airport Transfer

To ensure that students have a safe and comfortable stay in Toronto, Hansa offers a reliable airport transfer service and a twenty-four-hour emergency telephone number. Our driver will meet you at Pearson International Airport, take you to your accommodation, and either help you with your check-in or introduce you to your new homestay family. Return transportation from your accommodation to the airport can also be arranged upon request.
